

SHALFLEET PARISH COUNCIL

WEBSITE ACCESSIBILITY STATEMENT

1. Introduction:

Shalfleet Parish Council is required to have a website accessible for all users and a Website Accessibility Statement by the *Public Sector Bodies (website and mobile applications)(No 2) Accessibility Regulations 2018*, which came into force in September 2018.

This Statement has been compiled in collaboration with the Parish Council's IT Advisor.

2. Website Accessibility Statement:

This website is run by Shalfleet Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts using built-in browser settings.
- zoom in up to 300% without the text spilling off the screen.
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software.
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver).

We have also made the website text as simple as possible to understand.
